

Make purchases with your Card

Use your Card instead of cash to make purchases

- It's free* – there is no charge to make a purchase
- It's safe – you're protected if your Card is lost or stolen
- It's convenient – for times when you can't use cash

Use your Card to make in-store, gas station, online or phone purchases – it's easy

How to make different types of purchases:

Option 1: In-store purchases

Once your purchases have been rung up:

- Insert or swipe your Card
- Follow the prompts on the screen
- Enter your 4-digit PIN or sign for the transaction

Option 2: Gas station purchases

When getting gas at the pump, pay the attendant or make a debit/PIN transaction. If you use the credit function, some gas stations preauthorize and will hold up to \$75 on your Account for up to 3 days. To be charged the exact amount and always have access to your full balance, pay the attendant or make a debit/PIN transaction.

Option 3: Online or phone purchases

Use your Card for purchases you can't make with cash, like those online or by phone. Call or visit the merchant's website to confirm that they accept Debit MasterCard® payments. Select the credit/debit option and enter the following information as required:

- **Card Number:** Provide the 16 digit number on the front of your Card
- **Card Type:** Select MasterCard
- **Your Name:** Enter it as shown on your Card. If your Card says "Valued Cardholder", provide your name as used to enroll in the Card program
- **Address:** Provide your home mailing address, not a P.O. box
- **Expiration Date:** Enter the "Valid Thru" date on the front of your Card
- **Security Code:** This is the 3-digit number on the back of your Card, to the right of the signature

Use your Card to make purchases wherever Debit MasterCard is accepted worldwide
